

Real Estate Corporation of Siesta Key

3/22/2021

We at Excelsior have experienced several issues with owners using the Excelsior Real Estate Corp. owned laundry equipment. At times this has interfered with our cleaning staff completing their tasks in a timely manner. Due to this activity, the laundry is temporarily closed to all except for our cleaning staff. The ongoing policy will be finalized at the next Real Estate Corporation Board meeting, scheduled for March 30, 2021.
